

Dear Candidate,

Thank you for your interest regarding our Internship program in the heart of the inner city of New York.

We are a hands-on, hard working, mission oriented international ministry seeking to make a difference for the glory of God. Our internship is a four month (semester system) inner city missions and leadership training program. Each week is a six day "whatever it takes" effort.

This internship is not for everyone, however, if you are serious about stepping out of your comfort zone; consider yourself a team player, and are looking for an exciting challenge (spiritually and physically) then this is something you will want to consider. Please understand that Pastor Bill Wilson speaks all over the world and that there are many people, who want to come and be part of this Ministry. We will accept only those applications that meet ministry standards and that are completed and returned in full.

**Your completed application will consist of:**

- Application form
- three references, that you must give out to your referees to be e-mailed, mailed or faxed back to the Ministry
- written pastoral letter of recommendation
- personal testimony, a "Why I want to come to Metro"- essay
- recent photo (passport size)
- processing fee of U.S. \$100 /CHF 90 /€ 75.

As german or swiss candidate please contact your local Metro office for your local bank information.

You will be notified by email or by postal mailing, when you are accepted.

**The next opportunities for the Internship are:**

**Spring 2012: March 8 - June 17**

**Fall 2012: September 6 - December 16**

The Internship program at Metro Ministries is tuition free. We provide, at no charge to the intern, dorm style accommodations with a family atmosphere, as well as three nutritious meals daily. The only costs to be covered by the intern are: travel to and from New York City, an application fee of \$100, and a \$150 fee to cover training materials and supplies. The application fee of \$100 is required upon acceptance into the internship program, and can be paid online or through our local office. Besides these costs, it is up to the intern to provide for their own spending money for 12-15 weeks. Keep in mind that you will have to pay for own use of public transportation on your day off, as well as any recreational activities or personal expenses.

If you have prayerfully considered the above and feel that you are called to this short term mission adventure, I'm looking forward to get your E-mail or phone call directly to my Metro office in New York, so that I can be of further assistance to you and to provide you with the application material.
