Visitation

The key to Metro's phenomenal presence in New York is visitation. Without it, you can't do this kind of ministry because visitation builds relationships. To build relationships our staff and volunteers make 20,000 visits each week to homes of our children. Experience for yourself the power of walking into the Lion's Den.

Sidewalk Sunday School

Take a ride on the wild side as you help preach the Gospel on the streets of New York. Sidewalk Sunday School makes it possible for Metro Ministries to reach over 20,000 children weekly in New York City and an additional 12,000 overseas. Metro operates 18 customized trucks with pull-down stages and sound systems at over 132 locations throughout New York's vast inner city.

Saturday Sunday School

As America's largest Sunday School challenges it self to greater levels of urban outreach, it challenges you to make a decision. Are you ready to ride on the buses through a vast wasteland of broken human lives and help out any way you can? Are you prepared to handle 3 Sunday School sessions ministering to thousands of children age 3-12?
